

## **Consultation meeting with voluntary and private sector colleagues**

Hollyfield House, 22 Hollyfield Road, Surbiton.

17<sup>th</sup> April 2007

The comments and feedback made by colleagues follow very closely those made at the 3rd April consultation meeting. In summary the areas discussed were:

- The likely impact of any changes on service users
- How any relocation would be managed
- What services for people with lower level social care needs would look like in the future
