

CALLING ALL SOCIETY MEMBERS!

Are you based in Kingston, Tolworth, Hook, Surbiton, Chessington, New Malden or Old Malden?

Whether your club or society is old or new, existing or disbanded, if you or your society would like to contribute to the understanding of leisure time activities in the Kingston borough, from the nineteenth century to the present day, please get in contact. Sporting, performing arts, religious, business, cultural, philosophical, educational, whatever your leisure time focus we are interested in what you do!

'Kingston at Leisure' is a project which aims to identify and note the records of societies of all sizes and to offer preservation advice. If you request, we will also aim to accommodate your records in a local public archive. For more information, an informal chat or to arrange a visit, please contact:

Nicola Tettey, Project Leader, Kingston at Leisure
