Chapter & paragraph number.		Page
	Foreword	ii
	Contents List	v
	List of Tables and Figures	x
1	Local Socio Economic and Demographic Context	
1.1	Geography of the Borough	1.1
1.4	Population Characteristics	1.2
1.7	Quality of Life	1.2
1.8	Economic Characteristics	1.3
1.9	Housing	1.4
1.12	Transport Characteristics	1.5
2	Local Transport Context	
2.1	Introduction	2.1
2.2	Transport Assets and Responsibilities	2.1
2.5	RBK Transport Characteristics	2.3
2.16	The Extent and Condition of the Road Network	2.11
2.25	Volume of Travel	2.16
2.32	Aggregate Travel	2.18
3	Borough Policy Statement	
3.1	Introduction	3.1
3.3	The Borough's Overall Policy Programme	3.1
3.6	RBK Transport Objectives	3.2
3.8	Linkage with the Mayor's priorities and cross cutting goals	3.3
3.9	Demand Restraint	3.4
3.19	The Justification for Mode Shift	3.8
3.23	Policies on Car Travel, Freight Transport and Congestion	3.11
3.32	Public Transport Improvements	3.15
3.33	Orbital Links and Airport Access	3.15
3.34	Bus Policies	3.16
3.49	Rail Policies	3.21
3.56	Rapid Transport Aspirations	3.24
3.58	Community Transport	3.25
3.61	Casualty Reduction	3.26
3.66	Cycling Policies	3.28
3.71	Walking Policies	3.30
3.78	Powered Two Wheelers (PTWs)	3.33
3.79	Taxis and Private Hire Vehicles (PHVs)	3.33
3.81	Definition and Use of the Borough Road Hierarchy	3.34
3.83	Highway Maintenance	3.35

3.101	Parking Strategy	3.39
3.104	Street Scene Policies	3.41
3.107	Other Core Transport Activity	3.42
3.108	Environmental Effects and Assessment	3.42
3.114	Cross Cutting Goals	3.44
3.117	Unaddressed Mayoral Priorities	3.45
3.118	Conclusion	3.45
	Annex A: The London Bus Priority Network.	3.47
	Annex B: SWELTRAC (The South and West London Transport Conference) Sub Regional Strategy	3.48
	Annex C: Statement of Commitment to the London Cycle Network (LCN+)	3.58
4	Equality Impact Assessment	
4.1	Introduction	4.1
4.4	Key Elements of the LIP Strategy	4.1
4.8	Impacts on Women	4.2
4.13	Personal Security and Perception of Risk	4.3
4.20	Access to the Car	4.4
4.21	Family Responsibilities and Employment	4.5
4.29	Impacts on Black Minority Ethnic people	4.6
4.41	Impacts on Children and Young People	4.8
4.46	Impacts on Older People	4.9
4.57	Impacts of People with Disabilities	4.11
4.77	Impacts on Lesbians, Gay Men, Bisexual and Trans-Gender People	4.15
4.80	Impacts on People from Different Faith Groups	4.15
5	LIP Proposals for Addressing Priority Areas of the Mayor's Transport Strategy	
5.1	Introduction	5.1
5.3	Overview of the Proposals	5.1
5.5	Parallel Initiatives	5.2
5.10	Expenditure Proposals List	5.3
5.13	Road Maintenance Strategy	5.5
5.18	Local Road Maintenance	5.6
5.21	Highway Structures (Bridges, Culverts, Walls etc)	5.7
5.26	Other Infrastructure	5.9
5.27	Road Safety	5.10
5.32	Walking	5.12
5.36	Cycling	5.14
5.40	Traffic Signals	5.16
5.42	Public Transport	5.16
5.45	Bus Stop Accessibility	5.18

5.46	Bus Priority	5.19
5.53	Public Transport Information, Safety and Security	5.21
5.57	Area Based Schemes	5.22
5.59	Streets for People	5.23
5.60	Station Access	5.24
5.64	Travel Plans, SRtS and Travel Awareness	5.26
5.67	Freight	5.27
5.69	Regeneration	5.28
5.70	Environment	5.29
5.76	Controlled Parking Zones	5.30
5.77	Local Area Accessibility	5.31
5.81	Community Transport	5.32
5.85	Proposal Summary Sheet	5.34

6 Road Safety Plan

6.1	Background	6.1
6.3	The Need for a Road Safety Strategy	6.1
6.5	Road Safety Strategy in Context	6.2
6.6	Mayor's Transport Strategy	6.3
6.8	Aims of the Strategy	6.3
6.15	Key Components of the Road Safety Strategy	6.8
6.16	Engineering	6.9
6.23	Education	6.11
6.34	Enforcement	6.14
6.37	Monitoring and Review	6.15
6.38	Key Targets for Road Safety Activity	6.15
	Appendix 1: Casualty Rate Comparisons	6.17
	Appendix 2: Annual Programme of Road Safety Events	6.18

7 Parking and Enforcement Plan

	Introduction	7.1
7.1	Parking Strategy Statement	7.2
7.13	Parking Policies	7.6
7.18	Parking Supply and Demand	7.9
7.36	Parking Services: Management and Operation	7.18
7.42	On-Street Parking Control and Regulation	7.20
7.88	Residents Permits	7.31
7.94	Business Permits	7.33
7.99	Visitor Permits	7.34
7.114	Parking for Disabled Persons	7.37
7.127	Loading Bays	7.40
7.129	PTW Parking	7.41
7.213	Off-Street Car Park Management and Regulation	7.63
7.242	Parking Revenue	7.69

7.253	Enforcement Policies	7.73
7.288	Communication and Information	7.82
	Appendix 1: Schedule of Public Car Park Capacities	7.85
	Appendix 2: Designated On-Street Parking Supply	7.88
	Appendix 3: Route Hierarchy	7.89
	Appendix 4: Location of Parking Facilities in Kingston Town Centre	7.90
	Appendix 5: Car Park's Tariff Structures	7.91
	Appendix 6: Assessment Criteria for Parking Contraventions	7.98

8 Royal Borough of Kingston School Travel Plan and Workplace Travel Plan Strategy

8.1	Introduction	8.1
8.3	The Need for a School Travel Plan Strategy	8.1
8.6	School Travel Plan Strategy: Policy Context	8.2
8.19	Aims of the Strategy	8.6
8.20	Key Components of the School Travel Plan Strategy	8.6
8.55	Key Output Targets	8.19
8.56	Workplace Travel Plan Strategy	8.20
8.65	Aims of the Strategy	8.22
8.66	Output Targets	8.22
8.68	Key Components of the Workplace Travel Plan Strategy	8.24
	Appendix 1: School Travel Plan Baseline June 2005	8.27
	Appendix 2: School Travel Plan Guidance	8.31

9 Performance Measures

9.1	Introduction	9.1
9.2	Distinction between London wide and RBK Targets	9.1
9.4	Arrangement of Tables	9.1
9.5	Explanation of Target Definitions and Scoring Measures	9.2
9.7	Commentary on Table 9.1	9.16
9.13	Commentary on Table 9.3	9.21

10 Consultation Results

10.1	Introduction	10.1
10.3	Consultation Practices in RBK	10.1
10.9	The Local Implementation Plan Consultation Process	10.2
10.13	Analysis of Comments	10.3
10.21	Consultation Since Closure Date for Responses	10.5
10.24	Key Issues and Actions Arising from Consultation	10.5
10.33	Conclusion	10.8
	Appendix 1: Draft LIP Consultee List	10.9
	Appendix 2: Kingston Citizens' Panel: Questions, Answers and Analysis	10.12

Appendix 3: Non-Statutory Consultation Responses Summarised	10.17
---	-------

11 Borough Core Capacity Statement

11.1	Introduction	11.1
11.2	Political Resources	11.1
11.3	Human Resources	11.1
11.4	Departmental Training	11.2
11.6	Environmental Services Directorate - Overview	11.2
11.7	Section by Section Capacity	11.3
11.16	Environment and Sustainability Department	11.9
11.17	Forecasts changes during the period to 2011	11.10

12 Funding Implications

12.1	Introduction	12.1
12.8	Conclusion	12.4

Glossary and Abbreviations

List of Tables and Figures

Table	Page	
2.1	Car Ownership in Royal Borough of Kingston (from 2001 census)	2.3
2.2	RBK Mode Share from 2001 London Area Travel Survey (LATS)	2.4
2.3	Means of Transport to Work by Residents of RBK (From 2001 census)	2.5
2.4	Work and Education Trips 2001 and 1991	2.6
2.5	Town Centre Access	2.6
2.6	Estimated traffic flows - all motor vehicles (million vehicle kms).	2.8
2.7	Traffic crossing RBK ATC's (12 Hour Flows)	2.9
2.8	Traffic crossing RBK ATC's (24 Hour Flows)	2.10
2.9	Condition of roads and footways	2.12
2.10	Average Traffic Speeds (mph) in the Sub-Region (TLRN)	2.13
2.11	12 Hour Rail Station Entries	2.17
2.12	Aggregate Travel in 2001 and 2011	2.19
2.13	Percentage of journeys by distance and mode	2.22
2.14	RBK Casualties: Totals and by Severity 2004	2.23
5.1	Parallel Initiatives Timetable	5.3
5.2	Distribution of Structures by RBK Neighbourhood	5.12
5.3	Kempton Park P&R Suitability Against TfL Criteria	5.72
5.4	Proposal Summary Sheet	5.155
6.1	Casualty Reduction Targets and Progress as at 31 December 2004	6.4
6.2	2004 Pedestrian casualties split by ethnic group and severity	6.5
6.3	2004 Casualties by Mode of Travel	6.5
6.4	Vehicle involvement in pedestrian and cyclist casualties	6.6
6.5	Road user casualty rates by mode: 2002	6.7
6.6	Road Safety Plan Partners	6.8
6.7	Targets for Road Safety Activity	6.15
7.1	Metropolitan and District Centre Parking Supply	7.9
7.2	Private Non-Residential Off-Street Parking Capacity	7.12
7.3	Parking Spaces Under Direct Council Control or Subject to Agreements	7.13
7.4	On-Street Managed Parking Supply (Sept. 2005)	7.16
7.5	On-Street Parking Permits (September 2005)	7.16
7.6	Parking Services Contracts	7.18
7.7	Blue Badge Bays in District Centres & Shopping Parades	7.39
7.8	Location of Goods Vehicle Loading Bays	7.41
7.9	Location of Motorcycle Parking Bays	7.42
7.10	Location of Coach Parking Facilities	7.44
7.11	Location of Bus Lane Enforcement Cameras	7.59

7.12	On-Street Parking Charges (December 2004)	7.70
7.13	Schedule of Permit Charges (September 2005)	7.72
7.14	Target Average Patrolling Frequencies	7.75
7.15	Penalty Charge Notice Bands (January 2005)	7.78
8.1	School Travel Plan and Road Safety Review Baseline	8.7
8.2	Number of Children Trained (Cycling)	8.9
8.3	Number of Family Cyclist Training Courses	8.9
8.5	Schools Awarded and Expecting DfES/DfT Capital Grants	8.15
8.6	STP Strategy Targets	8.20
8.7	Workplace Travel Plan Targets	8.23
9.1	RBK Performance Indicators and Targets	9.3
9.2	Actual and Trajectory Casualty Data	9.18
9.3	Actual and Trajectory Traffic Data	9.20
12.1	Spending Proposals and Funding Sources	12.3
