

Kingston Domestic Abuse Training Programme 2011/12

Did you know...

Domestic abuse affects 1 in 4 women and 1 in 6 men in their lifetime.

The way you respond to someone who has told you they are experiencing domestic abuse can have a significant impact on their safety and that of their children.

It's relevant to you because...

It is important for all staff and volunteers who have contact with members of the public to have an awareness of the issues surrounding domestic abuse and know where to refer people to. Don't miss out on this opportunity to gain these skills.

Free Training is available to anyone working or volunteering in the Royal Borough of Kingston. There are 2 levels on offer:
Domestic Abuse Awareness: Half day foundation training
Working with Domestic and Sexual Violence: Advanced, full day training, suitable for front line practitioners.
