

BLUE BADGE HOLDERS

In line with other privately owned car parks in Kingston and the surrounding areas, Eden Walk will be introducing charging to Blue Badge Holders from 16th February 2009.

Over the past few years we have improved the facilities for Blue Badge holders with additional wider parking bays on the lower levels of the car park, installed automatic doors and improved security to ensure that these bays are not abused by other customers. In addition we are about to provide further bays in the area closer to the main lifts.

During 2009 we shall also be investing in new car park equipment to ensure that an efficient service will continue to be offered to all our customers.

We will continue to provide the only Shopmobility Service in Kingston Town Centre which offers mobility scooters, wheelchairs and ease of parking for their members. Although this facility is run by the local authority, Eden Walk provide the area and parking bays free of charge in order to support this worthwhile service.

For further information you may call Harriet Kerr on 07758747412.

**We value your loyalty to
Eden Walk over the years.**
