

FUNERAL DIRECTOR INFORMATION

Please find set out below details of local Funeral Directors who are prepared to assist with 'DIY Funerals' or provide a basic funeral. The Funeral Directors are listed in alphabetical order & **not** by preference. Each Funeral Director uses our services on behalf of their clients on a regular basis. For example, viewing of the deceased either in or out of business hours, type of coffin offered, (the colour & style can vary & may not be suitable to your requirements). The times offered for the proposed funeral service, (often a 'basic' funeral will offer no choice of service times at the local cemetery or crematorium) & if it is possible to purchase additional services, (an extra limousine may subsequently be needed).
