

Hobkirk House Resource Centre Comments:

To whom it may concern:

I come to Hobkirk House Day Centre and I don't want to move from here.

D S

I means so much to be with such nice people at Hobkirk House Day Centre. I wish to continue coming here.

D B

I object to closure of Hobkirk House Day Centre, because it was opened and meant for the elderly why then should it close.

L G

I understood that the land was given to be used for the elderly in the community NOT for office workers by Mrs Hobkirk. It has been like a second home for me. Please keep it open. PS: I don't know what I would have done without the Day Centre in my hour of need. It is never the same going elsewhere.

R W

I come on a Thursday, one a week, to Hobkirk House Day Centre and enjoy the company of the group and the staff. I would be upset if it was to close.

EC

I come to Hobkirk House Day Centre one day a week and enjoy it very much. I would be very upset if it was to close. I don't want to go anywhere else.

BS

I don't want Hobkirk House Day Centre to close because I like it so much, and I have so many good friends here. You get used to things and at my age I don't want to change

GF

I have been attending Hobkirk House Day Centre six years which I enjoy very much and would be loath to leave. Please leave Hobkirk open.

DJD

I think it is very unreasonable to think of closing Hobkirk House Day Centre for financial considerations. I don't believe the promises that the facilities offered will be the same as we have now.

B W

It would be very congested to have so many people in one day centre. Many people have a variety of disabilities to be addressed. If you have too many people you loose the personal touch. It would be difficult for the staff to handle. Please may Hobkirk remain open.

BG

As a resident of New Malden and a user of Hobkirk House Day Centre. I wish this centre to remain open. I use the Centre three days a week and enjoy coming here.

HL

It couldn't be better, Hobkirk House is the Day Centre we are at and wish to stay. Please let us continue to use this facility. I go three times a week.

I have been coming to Hobkirk House for the last nine years. I attend five days a week. I do not wish to be moved from Hobkirk, the staff are wonderful; they attend all our needs improving our quality of life. Life would be so different if we could not be all together. When you get older it is so nice to be with friends.

HBB

We want to stay here, I with ten friends were pushed out of Murray House nine years ago. We are happy and settled with a friendly group. Please don't push us around any more. Because we are elderly we are not stupid. Please listen to us.

This is the only time in the week I go out. Hobkirk House is very accommodating. I would be very upset if this facility was not available. I would miss the smiles of all the various people
