

Newent House Day Centre

Once again – (as in 2005 when Home Care maximum charges were increased from £36.15 to £127.70 per week), the RBK Lib Dems Council are putting budgetary considerations before the needs of the elderly, infirm and disabled who require home/and or day centre care.

I attend Newent House, a very modern day centre staffed by very professional and caring staff who attend to our needs on a minute-by-minute basis – plus excellent meals, conditions that you can't put a price on.

When Newent or Hobkirk centre close (or both in due course) it will set us back 40 years of progress in care in the community.

It's an outrageous disgrace that 100 vulnerable people out of 150,000 RBK population are to be discriminated against, and to be so shamefully treated.
