

New secondary school in North Kingston

Would you like to be involved in establishing your own school?

Seminar for potential proposers:

Tuesday 18 May 2010, from 6.30pm to 8.30pm

On 16th April 2010, Kingston Council announced a competition for a new secondary school opening in September 2015.

If you are interested in being involved in establishing the school, you are invited to attend a briefing seminar for potential proposers.

A proposer can be anyone, including parents, community groups, charitable companies, voluntary groups, existing schools or consortia of schools.

The purpose of the seminar is to:

- explain the process of school competitions and what is entailed in preparing and submitting a bid to open a school
- develop interest and participation in the process
- engage and provide networking opportunities for those interested in becoming a proposer of the new school
- describe sources of information and help available for proposers.

If you would like an invitation to attend, please telephone Kimberley Green at the Office for Public Management (OPM) on 020 7239 7828, or email kgreen@opm.co.uk

OPM is an independent public interest company that is dedicated to improving social results. We help organisations that want to make a greater social impact and respond to change. We work with clients across public services and specialise in providing innovative services in consultancy, people development and research.
