8	A borough with an identity rich in history, heritage, culture and creativity which drives its future.	Arts and Cultural Services
---	--	-----------------------------------

These outcomes provide the framework for the way the Council is planning and delivering its services in the future. The following tables set out some service area priorities for 2017-18 which will contribute to these outcomes to assist applicants in identifying where their proposals might fit best. The list is by no means exhaustive and if you have any projects that you think might fit with one of the outcomes, please get in touch to discuss your ideas with the relevant commissioner/s.
