If you have more than one house in multiple occupation you will need to complete a separate revocation application form for each property.

Please fill in the form using **BLOCK CAPITALS** and **black ink**.

If you require more space to answer any question, please use additional sheets, specifying which question your answer relates to, and attach the sheets to the revocation application form.

Part 2. Reasoning for Requesting the Licence to be Revoked

Please provide the Local Authority with a detailed explanation as to your reasoning for why the property is no longer a Licensable House in Multiple Occupation. (Please provide any supporting documents that may help your reasoning).

Please continue on a separate sheet if necessary.

Part 3. Conditions of Revoking a HMO Licence

If it is determined that the property stated is no longer a licensable HMO, then the Council may agree to revoke the licence before the expiry date stated; the revoking of a licence does not entitle the licence holder to a refund on the licence fee paid.

A licence can only be revoked for the following prescribed reasons

- a) Number of occupiers is below the licensing requirements*
- b) Property is now owner occupied/single family occupancy*
- c) Licence holder or any other has committed a serious breach of licence condition/repealed breaches*
- d) Licence holder or manager is no longer fit and proper*
- e) A licence would be refused for a particular reason relating to the structure of the HMO*
- f) HMO is not reasonably suitable for a number of households/persons specified as the maximum number authorised to occupy the house.*

Supporting documents will be required in order to prove that the property meets one of the above criteria; these will be required before a revocation is granted.

The person concerned may appeal to a First Tier Tribunal against the decision within the period of 28 days beginning with the date on which it was made.

This form should be returned together with any supporting documents to:
