KINGSTON TOWN CHILDREN’S CENTRE
40 VILLIERS RD
KINGSTON KT1 3AR

ABOUT THE TEACHER
Anne has been teaching music for 20 years across schools in Surrey and Richmond Upon Thames. She is a pianist and flautist but far prefers to sing above all else. Anne has run choirs for children extensively, with hundreds of children participating at events at venues such as The Royal Albert Hall and O2 Arena. She is passionate about music for all and the benefits it brings to children across all areas of their development: cognitive development, auditory processing, gross and fine motor control, social interaction development and most of all, the joy of making music becomes a life-long love!

ABOUT KMS
Kingston Music Service (KMS) provides music lessons to over 3000 young people in the borough of Kingston. In addition we organise ensembles, workshops, performances and a range of other activities to encourage young people to participate in music. In 2018, we have expanded our musical activities to babies and children aged 0-5 and their parents/carers.
