

Printing from HolistiX eCAF

In order to print from HolistiX eCAF you will need to change the following settings. You only need to do this once on each computer you use.

1. Open **Internet Explorer** :
2. Click on the **Tools** menu;
3. Select **Internet Options** from the bottom of the list;

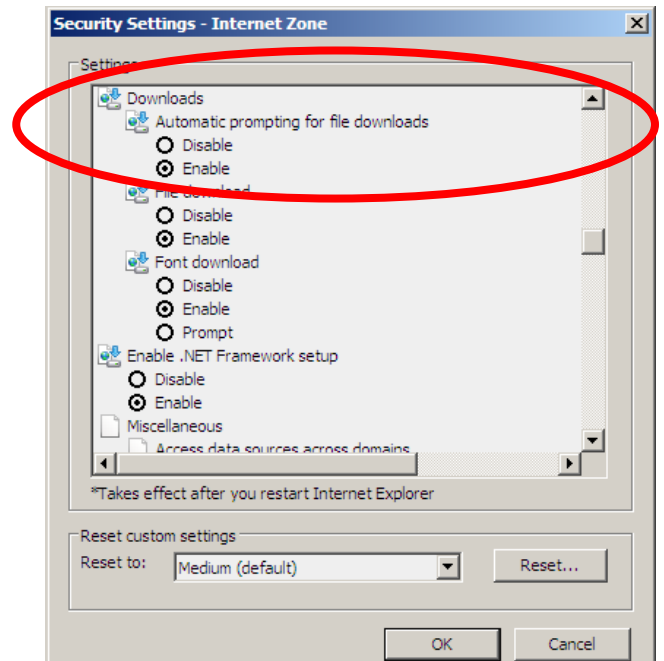

Steps 1, 2 & 3 – Open Internet Explorer, Select Tools>Internet Explorer

Steps 4, 5 & 6 – Select the Security tab, click on Internet and then Custom Level

7. Scroll down through the list until you see the “Downloads” section;
8. Change “Automatic Prompting for file downloads” to **Enable**;
9. Click on **Ok**;
10. Click on **Ok** again.

Your computer is now set up to print from HolistiX eCAF.

Steps 7, 8, 9 & 10 – Scroll down and find “Automatic prompting for downloads”, Select “Enable”, Click OK and then Click OK again.
