★ Collections will change over the Christmas and New Year period and may take place up to four days later than usual. This calendar shows your revised collection days where appropriate.

★ Real Christmas tree collections start on 8th January. Put your tree out from Monday 8th January and it will be collected as soon as possible.

It really helps if you...

**Flatten cardboard** boxes before putting them in the blue lidded wheelie bin

**Empty and rinse** all containers before putting them in the green box/green wheelie bin

**Remove film lids** from plastic pots, tubs and trays (put the film lids in your black wheelie bin)

Only place items that cannot be recycled in your **black wheelie bin** - no food waste please

On collection day, place your bins at the **front edge of your property**, close to the pavement but not on it
