EXPRESSION OF WISH IN RESPECT OF DEATH GRANT

Telephone: 020 8770 5290

Email: skpensions@sutton.gov.uk

The Local Government Pension Scheme (LGPS) provides for a Lump Sum Death Grant to be payable in the event of your death, and allows you to nominate a beneficiary or beneficiaries. However, the London Borough of Sutton and the Royal Borough of Kingston upon Thames have absolute discretion regarding the payment of any death grant from the LGPS. If within two years of death the payment has not been made under the authority's discretion – the payment will be made to the estate of the deceased, and may be subject to inheritance tax.

You may revise your nomination at a later date if your circumstances change by completing a new form. The administering scheme will always consider your most recent nomination.
