

## **Appendix D: Environmental Assets Plan**

A preliminary study area was identified by RBK, the extent of which considers views from within the Borough and those from neighbouring Boroughs, which includes the London Borough of Richmond and the London Borough of Merton. The plan shows the wider environmental and local planning policy designations to define the assets of importance when considering existing and potential new views. These include the mapping of Areas of Outstanding Natural Beauty, Registered Parks and Gardens, Country Parks, Conservations Areas, Listed Buildings, Scheduled Monuments, Local Areas of Special Character, Areas of Special Character and key Public Rights of Way (PRoW).
