LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

We take a responsible approach to alcohol sales and take steps to prevent and mitigate against crime and disorder in relation to alcohol sales, and public health. Listed below are the four licensing objectives, how we meet them and how we will ensure safe selling and consumption practises - for our staff, our customers, and our neighbours.

b) The prevention of crime and disorder

We have a training package in place for all staff involved with the sale supply and delivery of alcohol including 'Challenge 25' and sales refusals. All staff shall be trained before they are allowed to sell any alcohol to the public. Records of staff training along with any training material used must be kept by the Designated Premises Supervisor or Premises Licence Holder. All training records shall be signed by the trainer and trainee in respect of training received. The premises licence holder shall implement a training manual and all members of staff shall be suitably trained in underage sales prevention before making any sales of alcohol. Refresher training shall be carried out every 12 months for all staff and documented within the training records. The training records shall be available for inspection by the police or authorised local authority officers. We log all refused customers whether through age or card payment or other fraud. Our payment system categorises payments as low/medium/high risk and specifically tells us when a card address and IP address does not match. We contact medium and high risk customers and seek further identification documents. Examples of appropriate ID include a passport, photographic driving licence, military ID and the Proof of Age Standards Scheme (PASS) approved age cards. If there is any uncertainty we cancel the order and add details to our refusal and incident logs. Entry to the premises for staff is through an access controlled gate where there is a security guard, then up stairs into an access controlled foyer, then along corridors monitored by CCTV leading to private access of Unit 33, which is both a PIN code and key locked door. For deliveries and courier collection access is through the access controlled gate, via the security guard, around to the mezzanine car park via a CCTV monitored route, through controlled access doors from the car park, along corridors monitored by CCTV leading to private access to Unit 33 which has a PIN code and key locked door. The gate is manned by an SIA badged security guard with control of entry system, and a regular security patrol is performed at night. An incident logbook shall be kept and maintained on the premises and made available to the Police or the Licensing Authority upon immediate request, which will record the following: all crime related to the business; any complaints received; and any refusals to the sale of alcohol. There is an extensive and fully operational CCTV system and network of CCTV cameras throughout the business park and within the building.

c) Public safety

There is low risk at the premises as members of the public will not attend the premises. Our regular delivery drivers will enter the premises and lift parcels in accordance with their employers' training. The premises are protected by locking doors, and the windows are non-operable for security reasons. Storage will be at the furthest point from entry mitigating any risks of burglary, and there is fire protection equipment in the premises. We have a link to 'Drink Aware' and do not promote excessive drinking. All sales of alcohol for delivery must be paid for electronically and for accounting and safety purposes we do not accept any cash payments at all, purchases can only be completed online and with a debit or credit card or proforma invoice. In relation to delivery, all delivery persons must be aged 18 years or more. The alcohol must be packaged separately from goods that aren't subject to age related sales, so that it can easily be retrieved to prevent an illegal sale. Details of the order (including the type, amount of alcohol, name and address of the customer) shall be kept at the licensed premises and accurately recorded on our system and made available for inspection upon request. All delivery drivers and riders must allow any police or authorised local authority officers to inspect any alcohol orders and deliveries. The delivery of alcohol shall be made only to a residential or business address that exactly matches and correlates with the address specified on the order and the customer to be clearly resident inside the building. The delivery of alcohol will not be made or completed to a person in a public place (for example a street corner, park or bus stop - no 'kerbside collection').

d) The prevention of public nuisance

This is a low risk factor as the general public will not attend the premises. There will be occasional deliveries of alcohol to premises by suppliers - usually a few times a week. Collections by courier for outgoing orders will be once a day, between 3-6pm Monday to Friday. Entry to the premises will be from the building's rear loading bay/car park, which is only accessible via the gated entry to the business centre. Please see our video/photographs showing the intended route. Neither delivery or collections for delivery from and to the premises will be excessive.

Continued from previous page...

e) The protection of children from harm

We use an application called 'AgeChecked'. AgeChecked is an application approved by and listed on the UK Government's Safety Tech Directory. The UK Government's Safety Tech Directory encompasses a range of technologies and solutions facilitating safer online experiences. AgeChecked is a specialist in global age verification. Their wide range of services enable online website operators to meet their legal responsibilities in regard to age-restricted products at the point of sale which checks the purchaser's age against their debit/credit card details using credit reference agencies and other sources. AgeChecked are an industry-leading service regulated to BSI: PAS1296 standards. PAS 1296 is a code of practice for online age verification service providers developed by the British Standards Institute and Digital Policy Alliance. We retain a refusals log an incident book for inspection by the Police and and other Responsible Authorities. We have refined our choice of couriers and limit to deliveries being made by DPD. Our agreement with DPD prevents parcels from being delivered to anywhere other than the the address given by our customers. We have uniquely discussed our courier account with senior DPD management, following which DPD agreed to remove all and any alternative delivery options and as such, none of the following will ever take place: delivery to a safe-place, delivery to a neighbour and delivery to a collection point. The formal agreement we have with DPD removes these options from the customers choices when tracking their delivery but equally important also removes these options from the delivery drivers available methods to complete the delivery, if the DPD driver cannot successfully deliver the item then it is strictly returned to the depot, following which DPD will attempt one more delivery, if this also proves unsuccessful then the item is automatically returned to sender. This unique policy we have agreed with DPD always ensures a hand to hand delivery process which can always be recounted and traced back. Additionally, this prevents fraud by ensuring that a person cannot meet the delivery on the periphery of a property or neighbouring property or claim they did not receive the parcel after it being left in a safe place. If a customer seeks to intercept a delivery otherwise other that by 'opening the door to the address listed in their order' the order is returned to us. Our agreement with DPD includes a strict Challenge 25 policy, in this instance if age is in doubt and can not be verified by the receiver than the parcel will again automatically be returned to sender.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
