

MOVING TRAFFIC CONTRAVENTIONS ENFORCEMENT ACCOUNT 2024/25

1. The Council adopted the powers to enforce contraventions of Moving Traffic restrictions during the financial year 2013/14. In line with the On Street Parking and CCTV Bus Lane Enforcement Accounts, the Council is also required to maintain a separate account of its Moving Traffic Contravention enforcement activities. We therefore report annually to the Secretary of State on its outcome and the use made of any surplus generated. The account must contain all expenditure and income in relation to the provision, management and enforcement of Moving Traffic Contravention locations in the Borough.
2. The use of any surplus in the Moving Traffic Contravention enforcement account is governed by Schedule 2 of the London Local Authorities Act, 2003. The legislation specifies that the surplus may be used for:
 - (i) Making good to the General Fund for any deficits incurred in the Moving Traffic Contravention Enforcement Account during the previous four years.
 - (ii) Meeting costs incurred in the provision or operation of public transport services or facilities for public transport services.
 - (iii) Highway improvement works
 - (iv) Highway maintenance works
 - (v) Environmental Improvements
 - (vi) Implementation of the London Transport Strategy
 - (vii) For prescribed authorities, any other purpose for which the authority may lawfully incur expenditure.
