We also have a **FUTURE COUNCIL** commitment to ensure that the council is ready for the future, is managed effectively and responsibly in the best interests of our communities and delivery is supported by high quality services.

Our vision for 2027

- **GREENER:** We are a greener and more sustainable borough and on track to meet our net zero carbon targets.
- **FAIRER:** Our children and young people have a fairer start in life and residents are supported when needed throughout their lifetime. Inequality has been reduced and every resident has increased opportunities for a happy and healthy life.
